

Full Time Employee, Brownstead Farm – Thoroughbred Racing, Sales & Sport Horses

Located in Versailles, Kentucky, Brownstead Farm is a boutique Thoroughbred breeding, sales, racing and retraining operation that strives to give each horse individualized care and development to best prepare them for what lies ahead, both on the track and beyond. We have a diverse equine population that includes broodmares and foals, yearlings, racehorses, horses transitioning from racing to equestrian sports and retirees.

Key Responsibilities

This full-time, hands-on position will be a valued member of our team. While the day-to-day routine will change from one season to the next, key responsibilities will include:

- Feeding and turnout
- Administering oral medications
- Grooming/bathing horses
- Cleaning stalls and general barn duties
- Assisting with veterinary procedures and rehabilitation/therapy treatments
- Assisting with the exercise and training of young horses

Qualifications

The ideal candidate will:

- Have experience working hands-on with horses (preferably Thoroughbreds or sport horses) and be confident when dealing with young horses
- Possess strong communications and interpersonal skills
- Be open to learning new skills and treatment modalities
- Be reliable, honest and a self-starter who is comfortable working independently managing a full schedule of daily responsibilities while working as part of a team
- Have the ability to ride young racehorses/recently retired racehorses (this is preferred but not mandatory)

This is a salaried position based on 40 hours per week, with overtime paid on an hourly basis. We aim to foster a busy, positive and productive work environment and work hard to reciprocate the loyalty our employees show to us.
