

Old Friends is Hiring Horse Care Staff

Are you passionate about horse care? Old Friends is seeking a dedicated and experienced person to join our horse-care team. Ideal for someone looking to work closely with horses in a supportive and professional environment.

Key Responsibilities and Requirements

Ideal candidate has basic knowledge and experience required to provide exceptional daily care for our herd of retired horses.

- Diverse equine handling skills: competent in safely handling a range of horses including retired stallions, geldings, and mares.**
- Routine care and management: Basic knowledge in feeding and grooming.**
- Health care: Experience and basic knowledge of handling and safety protocols for veterinary procedures and farrier work.**
- Welfare and communication: observational skills to recognize conditions like colic or lameness and communicate to manager on call.**
- Empathy and disposition: possess a gentle hand with horses and demonstrate a caring attitude and empathy for animal welfare.**

Please email skills and contact information to alyssa@oldfriendsequine.org.
