About Our Program

We are an established, highly active Hunter/Jumper facility and lesson program located in the heart of horse country near Georgetown, KY.

We pride ourselves on attentive horse care, a positive learning environment, and a busy competitive schedule. We are growing and looking to add reliable, passionate horse professionals to our dedicated team.

Available Roles & Responsibilities

Depending on your experience, schedule, and career goals, your day-to-day may include a mix of the following:

- Daily Horse Care & Management: Feeding, turnout, blanketing, holding for vets/farriers, and ensuring the health and safety of all horses.
- Facility & Stable Upkeep: Mucking stalls, maintaining neat aisles, organizing tack rooms, and general barn chore rotation.
- Lesson Program & Show Support: Assisting with student prep, tacking, grooming, or helping manage logistics for our busy lesson program and show schedule.

What We Offer & Special Perks

- Extra Pay Opportunity: Earn extra income if you are able to cover lessons or teach beginners.
- Bring Your Horse: Free or subsidized horse board is available as an employment perk for the right candidate.
- Flexibility: Great options for both full-time career seekers and part-time individuals looking to balance work with school or other commitments.
- Positive Work Environment: Join a supportive team that values hard work, safety, and mutual respect.

Qualifications

- Strong, hands-on experience handling horses (Hunter/Jumper or sport horse background is highly preferred).
- Teaching or camp counseling experience is a major plus if you want to teach beginner lessons.
- Reliable, punctual, and able to work independently or as part of a fast-paced team.
- Physical ability to handle the demands of farm work in all weather conditions.

- Positive attitude and excellent communication skills when interacting with clients and students.
