

VETERINARY ASSISTANT – TEMPORARY POSITION FROM JANUARY - MAY

A prominent thoroughbred breeding operation in Lexington, KY is looking to hire an additional veterinary assistant to join their team. The veterinary assistant will support the veterinary staff and general farm manager to maintain and operate a large broodmare program. The ideal candidate will have basic knowledge in equine reproduction and neonates. This position offers competitive pay based on experience.

Primary Duties

- Assist resident veterinarian, general farm manager and lead technician with daily vet work (exams, treatments, etc.)
- Assist veterinarian and farm staff with bandaging, administering medications/fluids
- Maintain inventory and stock barns with supplies
- Operate radiography equipment
- Transport lab work, supplies, etc.

Requirements

- Full time (3-4 days a week with 10-12 hour shifts)
- Weekends needed
- Valid driver's license
- Organized, hardworking, dependable and team player
- Able to work in a fast-paced environment

Preferred Experience

- Experience in emergency/critical care medicine
- Basic knowledge of equine reproduction medicine
- Handling horses of all ages
- Spanish speaking is a plus

Please send a resume to animalsinmotionky@gmail.com to be considered for the position.
