

Equine Athlete Veterinary Services in Simpsonville, KY is seeking a Veterinary Technician for an equine anesthesia/hospital position.

Surgery technician experience is required (small animal experience is accepted; equine experience is preferred).

EAVS primary focus is orthopedic surgery, lameness and imaging. The clinic utilizes an onsite MRI, nuclear scintigraphy, ultrasound, PET and digital radiography.

Surgical specific duties include: General Duties include prepping patients for procedures using sterile technique, organizing the operating room and assisting the surgeon or other personnel. The candidate must be self-motivated, hardworking, and driven.

Other duties include, but are not limited to: Cleaning, preparing surgical instruments, handling/medicating equine patients, and placing IV catheters. Knowledge of surgical instruments and sterilization procedures is a plus.

The selected candidate will also be responsible for assisting with lameness exams, prepping horses for injections, taking radiographs, processing blood work, patient restraint, and treating hospitalized patients according to the doctor's orders. Assisting with special projects and additional duties as directed by the supervisor(s), surgeon(s) or a member of management is also expected.

Compensation commensurate with experience. Benefits include health insurance, paid time off, and paid CE to maintain licensure if the candidate is LVT/RVT/CVT.

A Licensed Veterinary Technician (2- or 4-year degree) is preferred but not required

Two years of veterinary clinical experience is required (equine or small animal).

Professional horse experience is required.
