

Equine Resident Veterinarian – Winstar Farm

Join a premier Thoroughbred farm in the heart of Central Kentucky as an Equine Resident Veterinarian. This role offers the chance to practice high-quality medicine with a diverse equine population, strong support staff, excellent resources, and a collaborative team environment.

You will help care for a large diverse population, including broodmares, foals, yearlings, stallions, horses in training, and horses in rehabilitation. The caseload is varied and rewarding, with opportunities in internal medicine, foal care, reproduction, wellness, herd health, and emergency care.

Key Responsibilities

- Deliver excellent veterinary care across a large, diverse Thoroughbred population.
- Perform diagnostics, create treatment plans, and follow cases through to resolution.
- Develop and manage herd health programs across multiple groups of horses.
- Take radiographs and interpret findings for thoroughbred yearling sales.
- Work closely with farm management, veterinarians, technicians, and support staff.
- Communicate clearly and proactively about findings, treatment plans, and follow-up care.
- Share on-call coverage as part of a supportive veterinary team.

Qualifications

- DVM or equivalent degree with 5–10 years of relevant equine experience preferred.
- Strong diagnostic skills and confidence developing treatment plans and managing cases.
- Clear communicator who works well with all staff members and the leadership team.
- Comfortable in a fast-paced, high-volume farm environment.

Equipment and Resources

- Supportive team with another veterinarian and two technicians.
- Full-service laboratory and in-house pharmacy.
- Digital radiography, ultrasound, and endoscopy.
- Access to biologic therapies such as Pro-Stride, IRAP, Alpha2, and stem cells.

Benefits and Perks

- On-farm housing
- stocked work vehicle, gas, and phone provided.
- Health, vision, and dental insurance.
- 401(k), profit sharing, paid continuing education, and paid vacation.
- Small driving radius and the ability to spend more time practicing medicine and less time on the road.
