

We're looking for a FULL-TIME team member to join our team with LONG-TERM potential.

The right person for this job isn't just experienced—they're the kind of person who makes the team stronger and others want to work with.

You might be a great fit if:

- You handle horses with confidence and care.
- You anticipate needs and stay two steps ahead.
- You stay cool under pressure, think on your feet, and never leave a teammate hanging.
- You take pride in your work but put the team and the horses first.
- You believe every horse, every client, and every colleague deserves respect.

At our farm, we work hard, stay focused, and support each other. If you're looking for a team that values skill, reliability, and teamwork, we'd love to hear from you. Experience is preferred, but a great attitude, strong work ethic, and excellent horse-handling skills matter most. Reliable transportation a must, we are a drug and alcohol free workplace.

Shoot us an email to [info@stonecolumnsstables.com](mailto:info@stonecolumnsstables.com) with why you'd be a great fit, resume and references. We look forward to hearing from you!
