

Job Title: Ambulatory Equine Veterinary Assistant / Technician

Location: Central Kentucky

Position Type: Seasonal (January – July) | 5- 6 Days/Week | Variable Hours

Note: This 6-month position has the strong potential to become a full-time, year-round role for the right candidate!

Position Overview:

The Ambulatory Equine Veterinary Assistant / Technician supports the veterinarian during mobile farm calls throughout Central Kentucky. This hands-on role combines safe horse handling, clinical assistance, treatment preparation, recordkeeping, inventory management, client communication, and care of the veterinary vehicle and equipment. The ideal candidate is dependable, detail-oriented, comfortable working with horses of varying ages and temperaments, and able to anticipate the veterinarian's needs in a fast-paced environment with variable hours.

Primary Job Duties:

- Assist the veterinarian throughout the day with examinations, treatments, and procedures.
- Safely handle and restrain horses of varying ages, sizes, temperaments, and medical conditions.
- Prepare medications, equipment, and supplies for procedures.
- Administer medications and treatments as directed.
- Learn and anticipate procedural setups and support needs for veterinarians.
- Drive between farm calls, assist with patient restraint, and record supply use for billing as needed.
- Maintain accurate medical records, treatment documentation, inventory, and billing records.
- Collect, label and submit blood work to the lab.
- Communicate clearly and professionally with veterinarians, clients, co-workers, vendors, horse owners, trainers, and barn managers.
- Uphold bio-security and cleanliness protocols across all work environments.
- Maintain a safe, organized, and professional work environment.
- Restock and organize supplies in the vehicle.
- Maintain a clean, organized veterinary vehicle – vacuum weekly and deep clean monthly.
- Clean, disinfect, organize, and maintain veterinary equipment and supplies.

What We're Looking For:

- **Previous horse experience is strictly required.** You must be highly comfortable and safe handling horses of all ages.
- A valid driver's license and a clean driving record.
- Detail-oriented individual with a strong desire and ability to learn quickly.
- Ability to thrive in a fast-paced environment with variable hours.

How to Apply: Please send your resume and a brief description of your horse handling experience to DrAshley@homeplacevet.com
