

Darby Dan Farm Nightwatch

We are currently seeking a nightwatch person for roaming nightwatch three nights a week 5pm-5am.

Horse experience is required along with a valid driver's license, and authorization to work in the US.

Duties include, checking, feeding, haying horses in stalls, spotlighting outside horses and general security of the farm.

Vehicle provided, along with paid time off, vacation, Health Insurance, and 401k. Overtime and more hours are possible and foaling experience is a plus with more time possible during Breeding Season along with the opportunity to learn foaling protocol. Starting pay commensurate with experience.
