

Grooms - Full Time

Diamond Creek is a widely recognized Standardbred breeding farm with operations in Kentucky and Pennsylvania, standing eleven stallions across multiple states. We're currently looking for two full-time day shift grooms to join our team in Lexington, Kentucky.

Responsibilities include (but not limited to):

- Assisting with farrier and veterinary checks
- Helping with daily barn tasks (feeding, watering, administering medications, grooming, cleaning stalls, etc.)
- Assisting with daytime foaling

Requirements:

- Previous horse experience
- Ability to speak, read, and write English
- Reliable transportation and availability to work on weekends
- Comfortable working in a fast-paced environment.
- Ability to lift up to 50 lbs

Details:

- Schedule: 6 days per week (~48hrs)

If you're interested in learning more about the Standardbred industry and want to be hands-on with horses, please send your resumes to: emily@diamondcreekfarm.com.
