Lexington Equine Medical Group is hiring a part-time, seasonal Veterinary Assistant. We are seeking an individual with great interpersonal skills and equine knowledge that wants to be a part of a growing ambulatory practice.

Duties include:

- Traveling to various farms throughout the Lexington area
- Assisting the veterinarian with a variety of procedures, including:
  - Breeding management
  - Foal medicine
  - Lameness examinations
  - Radiography
  - Emergency calls
- Restocking the vehicle at the end of each shift
- Accurately recording billing procedures
- Maintaining a clean work environment

Qualifications:

- Must have equine experience - prior veterinary experience is preferred, but not required
- Must be detail-oriented and organized
- Good communication skills and a strong sense of professionalism
- Ability to lift up to 50 lbs and be comfortable standing for periods of time

Schedule: Weekends from February through July, shifts vary based on caseload.

Compensation: Competitive hourly wage commensurate with experience.
