

# TJC Innovations is Hiring!

## CUSTOMER SUPPORT SPECIALIST

Do you have a background in Thoroughbred farm operations and enjoy helping others stay organized, accurate, and efficient?

TJC Innovations is looking for a Customer Support Specialist to work directly with breeders and farm managers who rely on our Horse Farm Management software every day. In this role, you'll use your real-world farm knowledge to help clients with technical support, billing, and day-to-day system questions.

THIS ROLE IS A GREAT FIT IF YOU HAVE:

- Proficiency in the Horse Farm Management Software
- Hands-on experience with Thoroughbred farm operations, breeding, foaling, or farm office administration
- Comfort explaining processes and helping others solve problems
- An interest in technology and learning software tools.

Below is the Indeed posting to apply and learn more about the opportunity.
